The Board of Directors has approved an extension to the program for non-golfers to walk the path before the course opens for play and after sunset.

Check the *LOP News* for sunset hours.

- You must stay on the path only. Do not walk on the turf or cut across the fairway.
- All dogs must be leashed. You must bring a doggie bag, pick up after your pet and properly dispose your doggie bag.
- As always, bicycles, scooters and skateboards are not allowed.
- Keep your eyes open for golf carts and maintenance vehicles.
- Paths can be slippery and uneven. Please use caution.

The LOP Pro Shop and Public Safety staff will be strictly enforcing these program rules. All violators will be cited and fined.
