Tree Removal

Tree removal fees apply when the ECC denies a request to remove a native tree and the applicant still desires its removal. Prior written consent from the ECC is required.

Tree size is the diameter of the tree measured four feet (4') above ground. For multi trunk trees, a measure of each trunk four feet (4') above the ground will be used for the total size but considered one (1) tree. These mitigation funds will be used by LOP for landscaping in the parks and/or common areas not on the golf course.

Tree size three inches (3") to fourteen inches (14") in diameter /multi-trunk trees up to eighteen inches (18") of total trunk diameter.	\$320
Tree size between fourteen inches (14") and twenty-eight (28") /multi-trunk trees between eighteen inches (18") and twenty-eight inches (28") of total trunk diameter.	\$620
For trees over twenty-eight inches (28")	\$1,265

Larger trees are evaluated by ECC case by case due to size and considered a "heritage"

** Deposits may be refunded in whole or in part depending on compliance with Environmental Standards and satisfactory E.C. final inspection sign-off, less any outstanding account balance. Deposits not refunded within two years will be forfeited unless a written extension is issued by ECC.*

*** Property owners may request an exemption to this Road Impact Fee if they provide a written request to the Environmental Control Department containing a statement and evidence that no commercial vehicles, excluding member owned pick-ups, will*

All construction or alterations without prior E.C. approval will be subject to a fine four times the normal plan check fee and additional fines may accrue weekly until approval process is complete.

Modification to Previously Approved Plans

Any modifications to previously approved plans (that had a fee associated to them) need to be submitted to the E.C.C. for approval. A fee per re-submittal will apply. \$70

Construction Time Extension

Fee to offset cost associated with inspections and letter writing.
New homes, swimming pools, living area and garage additions \$330
Driveways, retaining walls, seawalls, sheds, gazebos, patios, decks, docks and boatlifts \$70

Variance Requests

Requests for a variance from these standards involve neighbor notification letters and associated follow-up and therefore will be subject to a fee to help offset the cost of paper, envelopes, postage, and manpower to process the requested variance. This fee is non-refundable regardless of the E.C.C. decision to approve or deny the variance. \$150

Compliance Certificate

An "estoppel certificate" certifying that as of the date thereof, all improvements made, and other work completed by the owner, comply with the E.C. Standards. (For more informatino, see the CC&Rs, Article V, Section 14). \$70

Home Business Application and Renewals

A "Home Business Application" fee must accompany the application. If approved, the "permit" is valid for a period of 12 months and must be renewed annually. \$35

Escrow Fees

An escrow fee of \$1,000 will be held as a Performance Deposit for each item that does not pass the escrow inspection. Once the item(s) have been cleared, the funds will be returned. \$1,050

No Fees

There are no fees for plans submitted which involve culverts and drainage ditches, heating & air conditioning units, solar panels, exterior colors, fuel tanks, exterior lighting, mailboxes, play structures, or the replacement or repair of less than 25% of an existing structure that does not change the original "footprint", height, design, or color as long as the project meets current Environmental Standards and county structural and building codes.

Fees are normally non-refundable. However, if the project is canceled within one year, all but the largest of \$58.00 or the actual costs incurred by the association will be refunded.
